Dear Parent/ Guardian

SCHEDULE OF WEIGHTED ASSESSMENT 2 (WA 2) FOR SECONDARY ONE IN TERM 2

To nurture our students to be lifelong learners and building on the efforts to move away from an over-emphasis on academic results, MOE has adjusted school-based assessment (SBA) structures so that our students can experience more joy and develop stronger intrinsic motivation in learning.

In accordance with MOE guidelines, the school has allocated the percentage of each term's weighted assessment as shown in the table below. These weighted assessments (WA) count towards the final grade for each subject.

	TERM 1	TERM 2	TERM 3	TERM 4
Assessment	WA 1	WA 2	WA 3	End of Year Examination
Secondary 1	15%	15%	15%	55%

Please note that

- there is no Mid-Year Examination for Secondary 1 students,
- there is no weighted assessment in Term 4 as the End of Year Examination will begin in Term 4 Week 3 and
- there is 1 weighted assessment per subject per term (except Term 4) and the format of the weighted assessment differs for each subject (please refer to the details overleaf).

Students studying G1 and G2 subjects who meet the requirement to offer English Language, Mother Tongue Languages, Mathematics and Science at a more demanding level will be identified based on weighted assessment results and school-based holistic considerations.

Students who are certified medically unfit to take the Weighted Assessments will be recorded as "absent with valid reason". They must submit the **original copy** of the Medical Certificate from authorised medical practitioners to their respective Form Teacher when they return to school after their medical leave. For COVID-19 related absences, students may submit a parent letter supported **with** an image of the positive ART test for up to 2 days of absences.

If you have further questions or concerns, please contact us at 6572 9100 or email aes@moe.edu.sg.

Thank you.

Yours sincerely

Mr Vincent Toh
Principal
