Our Legacy

The Montfort Brothers of St. Gabriel arrived in Singapore in 1936 at the request of the Bishop of Singapore.

After World War II, **Brother Vincent** established Boys' Town in 1948 to provide shelter and care for boys. The school was founded in 1953 to provide education for the boys living in Boys' Town.

ASSUMPTION
ENGLISH

Our Legacy

We were then known as
Boys' Town English School.

In **1973**, we merged with
CHIJ Bukit Timah to become
a co-ed Catholic Mission School.

The school was renamed **Assumption English School** in honour of
our Lady, Mother Mary, the Patroness of the Brothers of St. Gabriel.

ASSUMPTION
ENGLISH

Our Legacy

BOYS' TOWN COMMUNITY

Assumption English School (1953)

AES is a government-aided co-educational secondary school that offers curriculum in line with the GCE 'O' and 'N' Level examinations.

The school aims to develop AssumptionKnights into "Men and Women of Character and Learning, in the service of God and Community".

Assumption Pathway School (1938)

Assumption Pathway School (APS) provides students who are unable to access mainstream secondary education, alternative pathways to achieve personal success in their lives.

The programme at APS is specially tailored to develop students' vocational skills and lifeskills and prepare them for employment with the Institute of Technical Education Skills Certificate.

Boys' Town Boarding Home (1948)

Boys' Town is a non-profit organization that provides guidance, shelter, education and vocational training to youths. Boys' Town aims to care for orphans, the poor and the neglected.

Men and Women of Character and Learning in the Service of God and Community

The stories of St Louis Marie de Montfort

- **Dinan** : Compassion for all
- **Rennes** : Standing up for the Last, the Lost & the Least
- **Poitiers** : Those whom the world rejects, must move you the most
- **Cesson** : Give your all in everything that you do

Focus and Outcomes

AssumptionKnights' Outcomes

Fortitude	The strength of mind that enables a person to encounter adversity with courage. It is a steadiness of will in doing good in spite of difficulties faced.
Mastery	The comprehensive knowledge or skills in one's endeavour.
Charity	“Those whom the world rejects must move you the most”

Every Parent, A Supportive Partner

- Keep in touch during your child's secondary school journey. Talk about his/her future plans, dreams, passions.
- Be supportive but not over-anxious.
- Encourage while ensuring discipline to study.
- Care for your child's welfare and help him/her manage his/her stress levels.
- Balance study time and rest time. Ensure enough exercise, nutrition and leisure time.

Parent and School Communication Policy

Communication between school and parent is an **essential component** of school life.

It is an **intentional effort** and a **shared responsibility** in order to provide **support** and to **improve** the ways students learn and develop.

The school is committed to help and support you with sincerity and professionalism, and there must be **mutual courtesy** and **respect**.

Parent and School Communication Policy

Teachers have numerous duties and matters to attend to during a normal school day.

The AES general office should be the **first point of contact**, particularly for non-educational queries.

Parents may direct queries to the form teacher/subject teachers through email (aes@moe.edu.sg). Do allow teachers to respond within 3 working days.

School will inform parents about current activities via **Parents' Gateway**. Hence it is important for parents to download the Parents' Gateway app and to read and take note of announcement published.

Other than the bi-yearly Parent Teacher conferences, parents should **make an appointment** if they wish to meet the teacher on a school day.

Parent and School Communication Policy

Teachers' well-being is as important as students' well-being.

Teachers are not expected to provide their personal mobile numbers to students or parents. If a teacher shares their numbers to students, it is

- meant **only for student to communicate with their teacher** on school matters.
- **should not be shared without the teachers' consent.**

Teachers and staff **will not respond to emails/ students' queries after 5pm or on weekends** unless the matter is an emergency in nature.

Communication should be gracious and respectful. The school owes a duty of care to its teachers and staff. To protect them from intimidatory or threatening behaviour in a verbal or written form. The school reserves the right not to engage under such circumstances.

A photograph of three students in a library setting. On the left, a male student with glasses and a white shirt is looking down at a book. In the center, a female student wearing a pink hijab and a black dress with red polka dots is smiling and looking at the book. On the right, another female student with glasses and a white shirt is also looking at the book. They are all holding and reading a large open book. The background shows wooden bookshelves filled with books.

Academic Updates

ASSUMPTION
ENGLISH

ACADEMIC OVERVIEW

Lower Secondary Key Academic Objectives

Every student experiences a broad-based curriculum where a **strong foundation** is built via **discovery and exploration**.

Building a strong academic foundation is necessary for Secondary 2 students to **enable them to select** and be **eligible** for the secondary 3 subjects of their **choice**.

ASSESSMENT WEIGHTINGS

Weighted Assessment in Term 1	MYE in Term 2	Weighted Assessment in Term 3	Semestral Assessment in Term 4
WA1	MYE	WA3	SA2
15%	25%	15%	45%

Absence from school must be covered by a Medical Certificate or Official Reason as there will be no re-test for all absences.

For Covid-related matters, a Parent Letter with a picture of the (+) ART test taken on the day of absence from WA1 as supporting evidence to cover absence from school.

PROMOTION CRITERIA FOR SECONDARY 2

Course	Promoted to Sec 3 in same course	Laterally Transfer to a more academically demanding course
Sec 2 EXP	Promoted to 3 EXP Pass in EL <u>AND</u> a pass percentage (50%) in the average of all subjects	Not Applicable
Sec 2 N(A)	Promoted to 3 N(A) Pass in EL and 2 other subjects <u>OR</u> pass in any 4 subjects	Laterally Transferred to 3 EXP <u>70% or higher</u> in the overall combined average for every subject
Sec 2 N(T)	Promoted to 3 N(T) Pass EL <u>OR</u> Maths	Laterally Transferred to 2 N(A) <u>70% or higher</u> in the overall combined average <u>AND deemed able to cope</u> with the Normal (Academic) course

ACADEMIC SUPPORT OVERVIEW

For Secondary 2

1) Term 1, 2 & 3 Booster Programme

2) Ad-hoc Academic Support Programmes by Subject Teachers

The programmes aim to help students who are struggling in specific subject areas, particularly in the English Language and Mathematics.

These are **needs-based programmes** to support selected academically-challenged students to build a stronger foundation in content and skills based on their current learning progress.

Sessions for the programmes will be conducted face to face, unless otherwise informed.

ACADEMIC SUPPORT OVERVIEW

For Secondary 2

3) Term 4 Learning Support Programme

- To **reinforce key concepts** to help students build a stronger academic foundation.
- To provide academic support for subjects that students are weaker in.
- To ensure that **learning continues during the school break** so that students can **use the time meaningful to close learning gaps**.

4) Bridging Programme for new SBB/HCL Inserts

To provide academic support for students who are eligible for **higher-level subject(s)** to enable them to:

- **Bridge the gaps** in the curriculum that was covered in the earlier semester for the advanced-level subject(s).
- Be **better prepared** for the more academically challenging subject(s) in the next semester .

ACADEMIC SUPPORT OVERVIEW

For Secondary 2

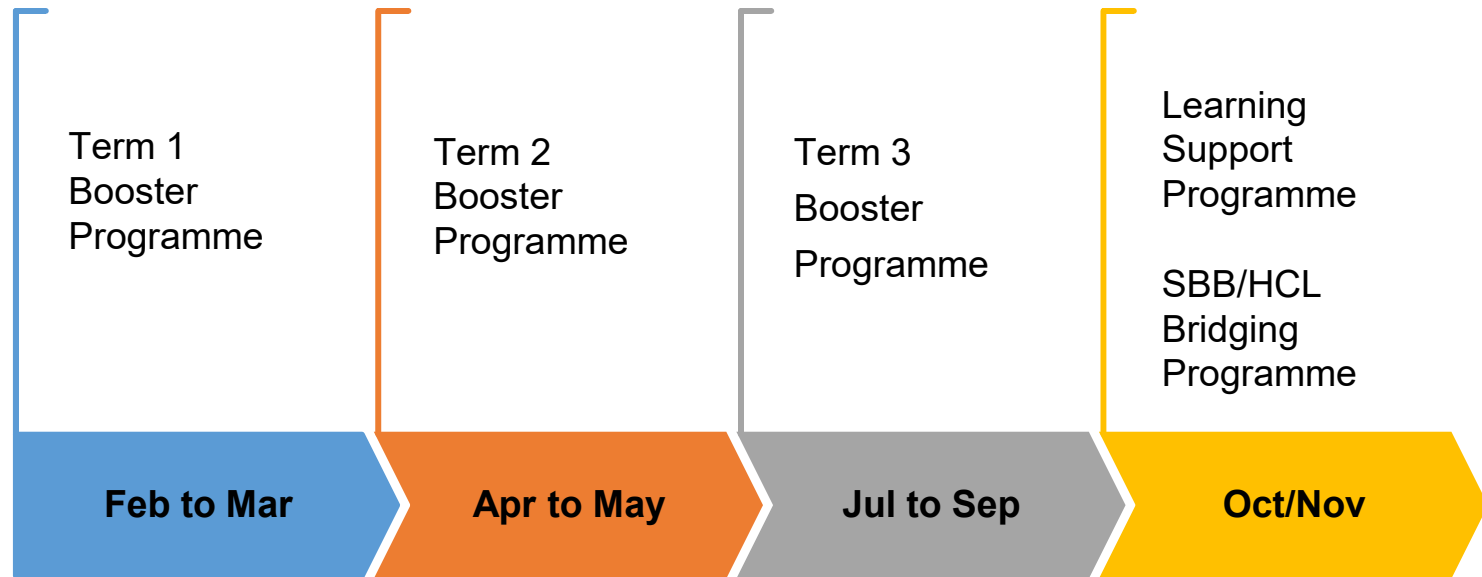

Student Consultations - Individual or in Small Groups

We strongly encourage our Secondary 2 students to be responsible for and **have ownership over their own learning** by **taking the initiative** to approach their respective subject teachers for consultations to **clarify their doubts early** and **ask for additional feedback for their learning** whenever they need to.

We encourage our students to be **consistent in their efforts** to seek and **act on the feedback given**, in spite of difficulties faced, in order to improve in their learning.

ACADEMIC SUPPORT OVERVIEW TIMELINE

Ad-hoc Academic Support Programmes by Subject Teachers

6 subjects	6 subjects	6 subjects

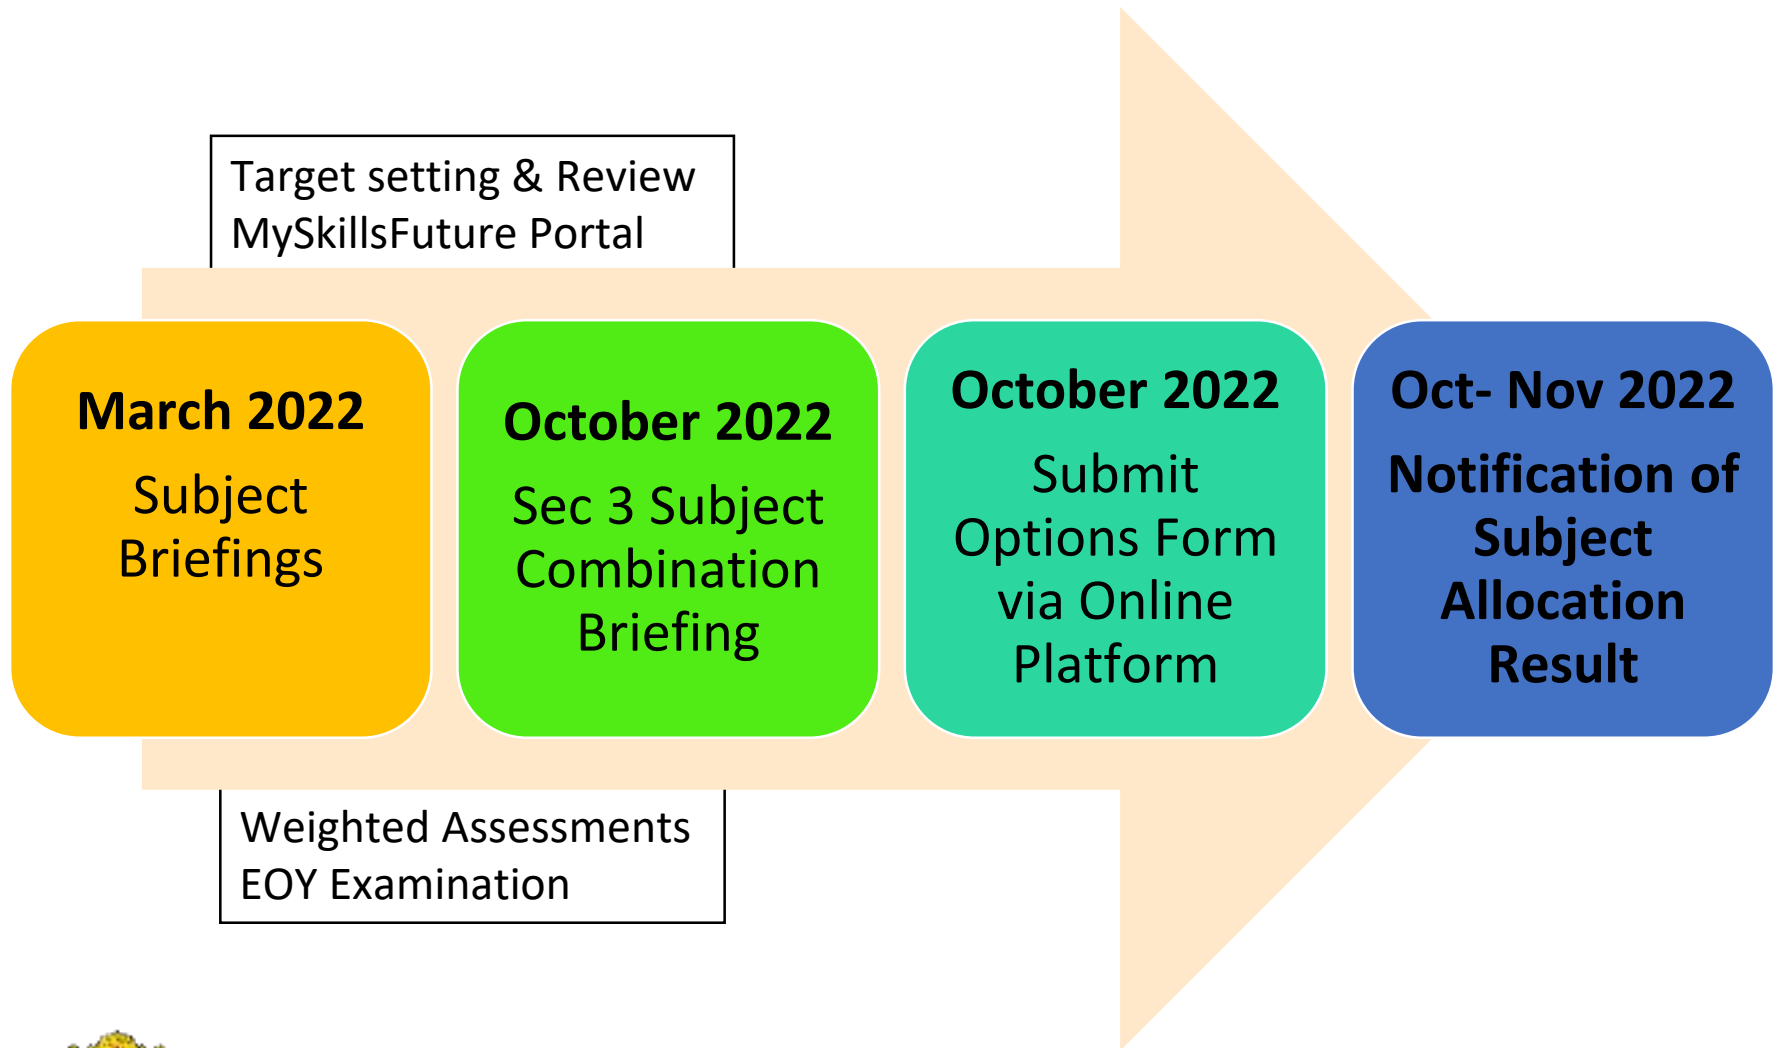

Subject Allocation Principles

A subject combination will be allocated to a student based on the following **criteria**:

1. Subjects are offered based on **academic merit** which includes overall performance and subject performance for certain subject combinations.
2. **Rank Order (students' choice)** - 1st choice will be considered if results meet the subject criteria.
3. **Demand** for the Subject Combination of his/her choice.

Timeline

Subjects that offered SBB:

Normal Academic	Normal Technical
English Language(Exp)	English Language(NA)
Mother Tongue Languages(Exp)	Mother Tongue Languages(NA)
Mathematics(Exp)	Mathematics(NA)
Science (Phy/ Chem)(Exp) <u>OR</u> Science (Chem/Bio)(Exp)	Science (Phy/Chem)(NA)
Social Studies/Elective Geography(Exp) <u>OR</u> Social Studies/Elective History(Exp) <u>OR</u> Social Studies/Elective Literature (Exp)	Social Studies/Elective Geography (NA)

*Subjects offered are subjected to **demand of the subjects and school arrangement.**

SUBJECT-BASED BANDING

There will be **opportunities** for **Secondary 2N(A)** students to be eligible to take **higher demand subjects** if the student performs well at the **End-of-Year Examination**. The criteria is as follows:

Timeline	School-based Results/ Criteria	Option to offer subject at
End-of-Year Exam	75% or higher in specific subject AND Subject teacher's recommendation	Express level from next year

SUBJECT-BASED BANDING

There will be opportunities for Secondary 2N(T) students to be eligible to take higher demand subjects if the student performs well at the End-of-Year Examination. The criteria is as follows:

Timeline	School-based Results/ Criteria	Option to offer subject at
End-of-Year Exam	75% or higher in specific subject AND Subject teacher's recommendation	N(A) level from next year

Objectives

- To encourage students to be **independent** and **self-directed** learners.
- To recognise the strengths and interests of our students, to help them build their confidence and develop an intrinsic motivation to **learn for life** in them.
- To **stretch** their learning in the area of Science, Humanities, Mathematics and English Language.
- **Sec 2 Express** students will also get to explore Upper Secondary Sciences and Additional Mathematics to have more understanding about the subjects before the streaming exercise.

AES SelfDevelopment Programme (SDP) for Sec 2N(A) & 2N(T)

- AES SDP provides the non-SBB students the opportunity to have access and study **Lower Secondary Science and/or Humanities subjects** at a more demanding level.
- A unique programme offered by Assumption English School for **Secondary 2 N(A) and 2 N(T) students**.
- **Secondary 2 N(A) and 2 N(T) students** who are interested in the AES SDP will have to go through a 2 to 6 months self-directed online learning programme for the **Science and/or Humanities** at a more demanding level. They will be required to put in about 1 to 2 hours a week per subject to complete the self-directed lesson packages and the self-assessment quizzes.
- Students will be provided with a self-guide to navigate the learning resources through online curriculum sites.

What the students learn at SDP is NON-EXAMINABLE.

It is for their own interest.

ASSUMPTION
ENGLISH

AES Self-Development Programme (SDP) for Sec 2 Express

For Sec 2 Express students aspiring to take up Pure Science and Additional Mathematics

- Sec 2 Express students will get to explore **Upper Secondary Sciences and Additional Mathematics** to have a better understanding what these subjects entail.
- To help students make **good and informed decisions** before the Subject Allocation Exercise.
- Students will do **2 taster chapters** in each of the Pure Sciences and Additional Mathematics.
- The SDP is by students' choice. Students choose to opt in and what they learn is **non-examinable**.

Overview of AES SDP timeline for Sec 2N(A) & 2N(T)

Timeline	Stage	Action by
Term 1 Week 8	Secondary 2NA and 2NT students are to register for the AES SDP.	2NA & 2NT students
Term 1 Week 9	Students who registered their interest will be provided with a learning guide and instructions to start their learning of SDP (Part 1).	SDP students Subject teachers
By Term 2 Week 6	AES SDP students will be required to complete the self-directed lesson packages and the self-assessment quizzes on the online platform (Part 1).	SDP students to complete SDP (Part 1)
Term 2 Week 9	Review the progress of students in the SDP (Part 1). AES SDP students will be provided with a learning guide and instructions to start their learning of SDP (Part 2).	IP HODs Subject teachers SBB eligible students
Term 3 Week 6	AES SDP students will be required to complete the self-directed lesson packages and the self-assessment quizzes on the online platform (Part 2).	SDP students to complete SDP (Part 2)
Term 3 Week 9	Review the progress of students in the SDP (Part 2). Students completed AES SDP.	SDP students Subject teachers

Overview of AES SDP timeline for Sec 2 Express

Timeline	Stage	Action by
Term 2 Week 8 (By 13 May)	Secondary 2E students are to register for the AES SDP. Pure Physics, Chemistry, Biology or Additional Mathematics	2E students
Term 2 Week 9 (By 20 May)	Students who registered their interest will be provided with a learning guide and instructions to start their learning of SDP	SDP students Subject teachers
By Term 3 Week 6 (By 5 Aug)	AES SDP students will be required to complete the self-directed lesson packages and the self-assessment quizzes on the online platform.	SDP students to complete SDP
Term 3 Week 9 (By 26 Aug)	Review the progress of students in the SDP. Students completed AES SDP.	SDP students Subject teachers

AES Self-Development Programme (SDP) for Sec 2

- In deciding whether to take up the AES SDP, students and their parents should consider the student's aptitude and interest in the Science, Humanities, Mathematics and English as well as their ability to cope with the other subjects.
- For more information on how our school would implement the Self-Development Programme (SDP), you can contact us at aes@moe.edu.sg.

Goals of ECG

The goals of ECG are to:

- Nurture student's self-awareness, self-directedness and life skills for continuous learning.
- Provide students with accurate and comprehensive information and enable them to explore well-thought through education and career options.
- Instill in students an appreciation for the value of all occupations and how they contribute to the society.
- Equip students with skills to positively engage their parents and other career influencers such as teachers, trusted adults and industry experts.

ECG Counselling Support

For Secondary 3

- **ECG counselling**

If you require further help, do speak to your form teachers or teachers in charge of ECG (Ms Cryst Tan, Ms Denise Lee, Mr Kenny Sng, Mr Ng Shi Han) for further assistance.

The school can also help to arrange a ECG counselling session for you.

RENNES Programme (23 25 March)

Rennes

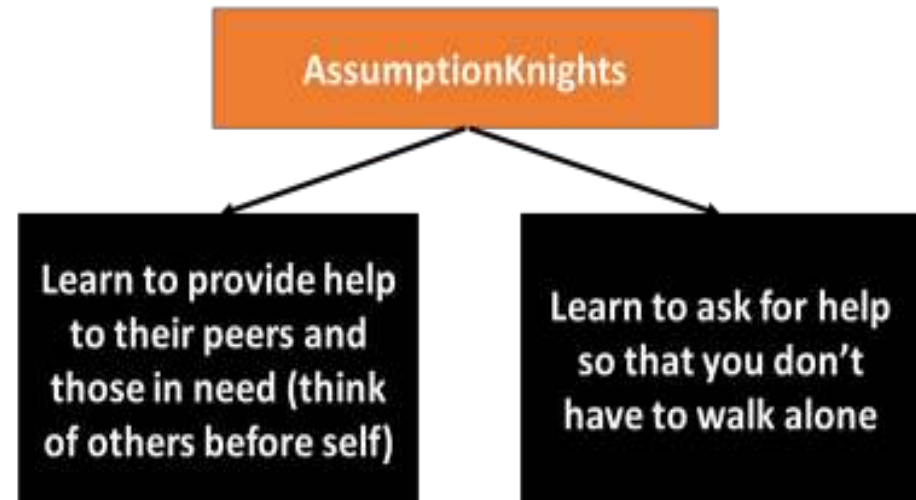

Rennes [ran]

Montfort was twelve years old and it was time for him to attend school at the St. Thomas Becket College in the city of Rennes. The college was very large with some 3,000 students. One day, Montfort saw a poor student mobbed by a number of mischievous boys who were richer. Without caring for their reactions, he declared himself the poor student's friend. Then a thought crossed his mind: Why not get the help of the richer students for this poor student? So, Montfort begged from them for the poor boy in rags and then took the little money he collected, along with his poor friend, to the tailor. "Here is my brother and yours", Montfort told the tailor. "I begged in class as much as I could to get him a new uniform. I know it will not be enough but I have done what I could, please help our dear friend out!" Sure, the money was not enough, but the tailor was so moved and impressed by Montfort's determination and sincerity that he not only made one but two new sets of uniform for the poor student.

RENNES Programme (23 25 March)

- Maintaining healthy friendship is a crucial element in protecting our mental health. Friends keep us grounded, and with great peer support, we are able to overcome challenges together.

RENNES Programme (23 25 March)

The RENNES programme consists of a series of activities specially designed to allow students to **learn and appreciate diversity**, in culture, history and practices in our neighbouring countries.

Being exposed to diverse cultures can allow AssumptionKnights to be more compassionate, empathetic and appreciate more in life.

With more interaction with people and acquiring of knowledge from different cultures, they learn to **value and respect people**.

Cyber Wellness in AES

Responsible Usage of technology for Learning

- Info-comm Technologies (ICT) are becoming increasingly important for education and communication. Hence, AES focusses on helping students to be responsible digital learners through 3 principles - **Respect for Self and Others, Safe and Responsible Use, and Positive Peer Influence.**

Use of “Digital Wellness” app to curb excessive screen time

- Most of the mobile devices can help us to manage our usage, by providing us with information such as average screen time, most used apps and come with functions to limit the usage.

Android
Devices

Apple
iOS
Devices

Parental Tips on Cyber Wellness

Tips on Cyber Wellness

- To help your child stay safe having positive experiences online, you can:
 - Activate parental controls on your home devices
 - Model good digital habits for your child
 - Set ground rules for internet use
 - Navigate the internet together to understand their usage.

You may scan the QR code for more parental tips on CW:

Commonly Asked Questions

1. I want to know more about how my child/ward is doing in school.

Contact the form teacher or through the school @ 65729100 to obtain feedback for your child/ward. You may also email the school at aes@moe.edu.sg if you have other queries.

2. Will there be extra lessons to help weaker students?

Subject teachers will surface the weaker students for remedial based on the results. Your child must also be proactive to ask questions and clarify when in doubt.

Commonly Asked Questions

3. How does the school promote a healthy & responsible approach to using social media/group chat?

In school, mobile phones and other forms of communication devices are to be used only during recess time, or when permission is given by a teacher, for educational purposes only.

The usage of official class / CCA whatsapp group is monitored and regulated by Form Teachers and CCA teachers, where students are advised to observe the appropriateness and timing when they post / send a message. The Cyber Wellness modules conducted during MAP help AssumptionKnights to identify responsible usage of the social media / group chat by looking at case studies, individual digital footprint etc.

At home, parents can help to monitor their child's usage of electronic devices.

Commonly Asked Questions

4. Do students require the use of the Chromebook (PLDs) daily?

Teachers leverage on the use of the PLDs to provide greater effectiveness for teaching and students' learning.

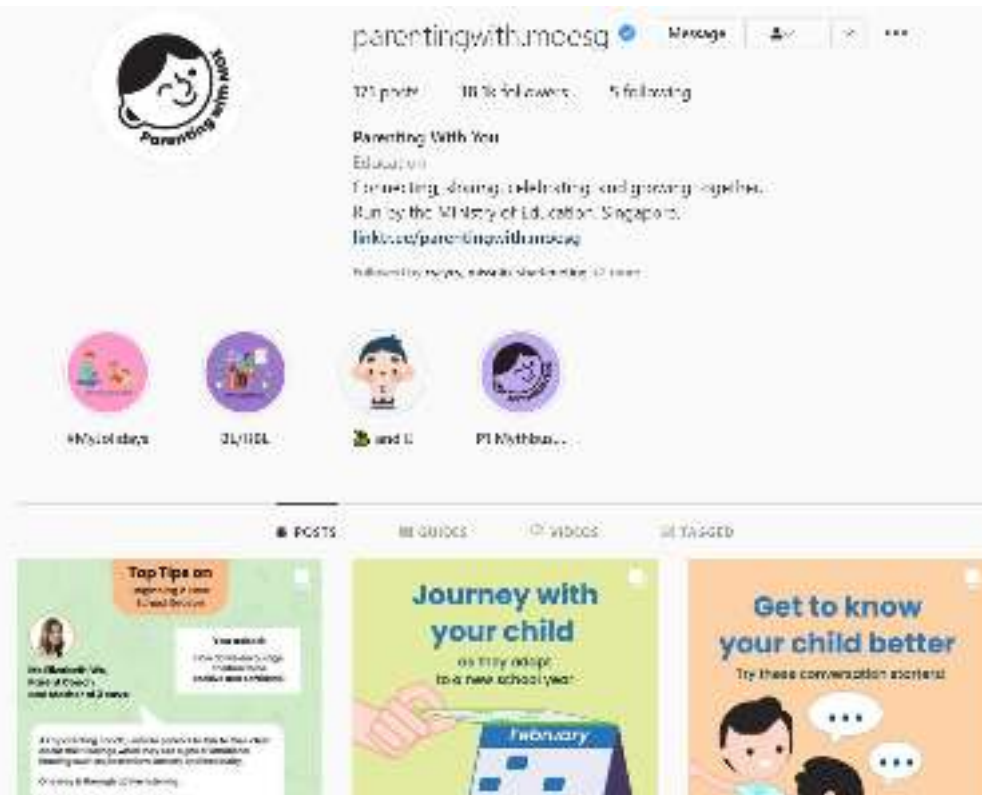

The PLDs provides opportunities for active learning and feedback. Teachers will design their learning programmes to ensure that the students' use of PLDs is balanced in relation to other activities and modes of learning.

All PLDs will be installed with a Device Management Application (DMA), which allows teachers to manage students' usage.
